Participation

Teams comprising of students from all the software engineering undergraduate batches (18SW, 19SW, 20SW, 21SW) are eligible to participate in SPEED.

Judges

Semi Final

- A panel of five (5) judges and a moderator jury will be appointed.
- The panel will evaluate all the recorded project video presentations in one (1) session and shortlist top 3 projects per each batch for the final round.

Final

- A panel of five (5) judges and a moderator jury will be appointed.
- The panel will evaluate live demonstrations of the semi-finalists and decide one winner for each batch.

Judging Criteria

PROJECT VIDEOS SHOULD INCLUDE:

- What is the significance of your project?
- How did you implement/develop your project?
- What long-term outcomes are you anticipating?

Virtual Rules and Regulations

- Project videos are limited to 3 minutes and contestants whose presentations exceed 3 minutes are disqualified.
- Project videos are considered to have commenced when the project content is displayed (timing does not begin at the start of the video where the SPEOD title slide is shown).
- Videos must meet the following criteria:
 - Contain a SPEOD title slide (at the beginning)
 - Contain SPEOD logo at top right corner of the video
 - The video audio must be continuous – no sound edits or breaks.
- No additional electronic media (e.g., sound and video files) are permitted within the project video.
- The decision of the adjudicating panel is final.
- Submissions via video format (only video links provided within registration forms are allowed). Files sent in other formats will not be accepted.
